GARRETT®

Garrett Guide™

PN 1173000

USB-C charging cable included

NEXT GENERATION HANDHELD SECURITY

How do you improve on the world's most popular hand-held held metal detector? For nearly 40 years, the Super Scanner V has been the most trusted security handheld globally, with proven performance, tested durability, and hallmark Garrett simplicity. Now, the Garrett Guide takes everything that made the SSV the global standard and raises it to the next level. From schools and stadiums to courthouses and casinos, Guide brings the performance you trust to a new level of refinement and ease-of-use.

Humidity	100%
Audio Frequency	~ 2 kHz
Tuning	Automatic
Width	3.375" (9 cm)
Thickness	1.125" (3 cm)
Length	16" (41 cm)
Total Weight	1 lb (0.5 kg)
Environmental	IP 65 rating
Battery Requirements	Lithium Ion 3.8V 2.5 Ahr (included)
	Capacity 125 hrs
Warranty	3 Year, Limited Parts/Labor

Guide Accessories (sold separately)

Part No.	Guide Accessories
1635400	Garrett Guide Charging Base
1635700	Wrist Strap
1611600	Holster
1629500	High Current Power Adapter (with International adapters)

Regulatory Information: Meets international security standards for airports, prisons, and special events and additional standards including ECAC and NIJ 0602.02. The *Guide™* meets U.S. and international regulatory requirements for electromagnetic safety. Extensive research has found no information that would indicate Garrett products have adverse effects on pregnancy, medical devices (such as pacemakers) or magnetic recording media. However, directives by physicians and medical device manufacturers regarding metal detectors should be followed.
